Mar Mikhael, Beirut Mount Lebanon Governorate

This apartment has been damaged by "Beirut Explosion" on the 4th of August 2020.

Steps of Hope took the initiative to help in the renovation of damaged houses, to get people back to their homes before winter comes.

Apartment damages survey:

- Almost all the glass and aluminum are destroyed and must be renewed.
- The owner wants to install triplex glass instead of 6 mm.
- That's why he asked to determine the price of the 6mm glass, and he will cover the rest of money personally in order to install the triplex glass.
- ET: 3 days. A technician + 2 workers.
