This apartment has been damaged by "Beirut Explosion" on the 4th of August 2020.

Steps of Hope in collaboration with A-Tech Australia took the initiative to help in the renovation of damaged houses, to get people back to their homes before winter comes.

Apartment damages survey:

- We need a carpenter to assess the damage, all panels need only maintenance on site no need for new panels, also the carpenter need to take the measurement of the glass.
