Achrafieh

This apartment has been damaged by “Beirut Explosion” on the 4th of August 2020. Steps of Hope in collaboration with AusRelief took the initiative to help in the renovation of damaged houses, to get people back to their homes before winter comes.

Apartment damages survey:

- Need a concrete technician to assess the damage
- also, a steel technician to assess the damage
- then when the concrete technician finishes his work, we can take measurement of the aluminum panel
- All the house is damaged
